Important Notes

1. Users who have previously received an account opening bonus using another IB code or promotion are not eligible for this bonus.
2. If bonuses are duplicated, they will be automatically voided. In cases of misuse, the account may be suspended or frozen.
3. Prime accounts opened through a specific IB code during the promotion period, and trades in all the products are eligible. (For indices and Gold mini, the trading volume is counted as 1/10).
4. Bonuses cannot be applied or withdrawn across other accounts.
5. Withdrawal profits are limited to ¥20,000 worth of gains, with profits only available from positions held for 5 minutes or more and trading 5 lots or more.
6. This bonus cannot be combined with other bonus promotions.
7. Trading solely with the account opening bonus does not qualify for IB commissions.
8. The bonus will become invalid if no trading activity occurs within 30 days of account opening.
9. The company reserves the right to suspend the bonus if any prohibited activities are detected.
10. In cases of intentional or unintentional violations of prohibited activities, the company retains the right to suspend accounts and invalidate profits without prior notice.
11. Account opening must be done after reading and agreeing to the Customer Agreement while adhering to the terms and conditions outlined in our Terms of Service, Agreement, and Bonus Conditions.
